DISCOVER THE WORLD OF **BENTELLI**

Uncover a treasure trove of luminous pure silver and sparkling diamonds with designs inspired by old world refinement merged with modernist influences to offer a look that is singularly European. We've curated stylings from around the globe to assemble a distinctive collection that celebrates elegant simplicity.

Eleganti

Hailing from picturesque Belgium, known as the diamond capital of the world, the founders of Bentelli set out to offer a line of silver and diamond jewelry that captured the classic elegance and glamor of Europe. These qualities are on full display in the beautifully intertwined designs of the Eleganti Collection.

Cœurs D'argent

Some say Paris is the city of light, others say its the city of love. We have captured both in the uniquely styled Coeurs D'argent collection inspired by this ageless French city.

Monarch

London, home to the Bentelli corporate headquarters, is a city that is uniquely compopolitan yet steeped in royal history. Influenced by old world Europe with a new world twist, The Monarch Collection features deep blue diamonds paired with highly polished sliver for a dazzling contrast.

Belleni

Venice is known for its remarkably constructed cannels as well as its unmatched beauty. The essence of this wondrous city is the inspiration for the Belleni Collection with its intricate blending colored ceramic, highly polished silver, and vibrant diamonds.

Strahlend

Most of the Bentelli pieces are designed in Germany by master silversmiths. The chic Strahlend Collection with its soft matt finish and sleek shapes embodies classic Europe.
