

BENTELLI

DISCOVER THE WORLD OF **BENTELLI**

Uncover a treasure trove of luminous pure silver and sparkling diamonds with designs inspired by old world refinement merged with modernist influences to offer a look that is singularly European. We've curated stylings from around the globe to assemble a distinctive collection that celebrates elegant simplicity.

Klassik

Hailing from picturesque Belgium, known as the diamond capital of the world, the founders of Bentelli set out to offer a line of silver and diamond jewelry that captured the classic elegance and glamor of Europe. These qualities are on full display in the beautifully intertwined designs of the Eleganti Collection.

Belleni

Venice is known for its remarkably constructed canals as well as its unmatched beauty. The essence of this wondrous city is the inspiration for the Belleni Collection with its intricate blending colored ceramic, highly polished silver, and vibrant diamonds.

Monarch

London, home to the Bentelli corporate headquarters, is a city that is uniquely cosmopolitan yet steeped in royal history. Influenced by old world Europe with a new world twist, The Monarch Collection features deep blue diamonds paired with highly polished silver for a dazzling contrast.

Cœurs D'argent

Some say Paris is the city of light, others say its the city of love. We have captured both in the uniquely styled Coeurs D'argent collection inspired by this ageless French city.
